

## Indian Association for the Cultivation of Science

Jadavpur, Kolkata 700 032

IACS/ADVT/P/05

9 November 2004

The Indian Association for the Cultivation of Science (IACS) is looking for creative scientists in the position of a Professor in the department of Physical Chemistry.

Candidates for the post of Professor should have excellent academic career with proven records of research activities in a frontier area and experience in guiding and conducting research in a modern area of Physical Chemistry. (Experimental/Theoretical). Minimum ten years of research experience in independent capacity with proven track record of guiding Ph.D. students is required.

Department of Physical Chemistry of IACS being one of the leading centers of research activities, the candidates are required to conduct high level of research. The ability to procure research funding from external agencies and participation to develop infra-structural facilities and group activities of the department will be considered as desirable qualities of the applicant. Selection to the post will not necessarily be confined to the applicants only.

The scale of pay for the post is Rs 16,400–450–20,900–500–22,400/-. The post carries allowances, retiring and other benefits as per New Pension Scheme as are admissible to Central Government employees stationed at Kolkata.

The total emoluments at the initial of the scale is Rs 36,500/- (approx.). Higher salary will be given to really deserving candidates.

Applicants are requested to send their bio data along with a list of publication, names of three referees, expected amount of salary, etc. to the Registrar, IACS, Jadavpur, Kolkata 700 032, within **10 January 2005**. They may also send their application via e-mail to: [apply@iacs.res.in](mailto:apply@iacs.res.in) (a no objection certificate of the present employer for applicants engaged in permanent services elsewhere should be furnished either at the time of interview or when joining).

For more information regarding IACS, the web site (<http://www.iacs.res.in>) may be consulted.
