

4th Summer Training Course in Eye Research

Iladevi Cataract and IOL Research Centre is going to conduct a six-week hands-on training course in the following areas:

1. Cell Biology
2. Matrix Biology
3. Tissue Culture
4. Protein Biochemistry
5. Molecular Genetics.

M.Sc. (Part I) students who are interested in pursuing a career in research are eligible for this course. Course will start from 16 May to 30 June 2005. No course fee would be charged. However candidates have to pay Rs 1500 a month for boarding and lodging.

Please apply giving the following details.

Name, sex, marks obtained in high school, intermediate and B.Sc. examination and write a paragraph about how you would use the training programme in future. Selection would be on merit and writeup basis.

Department of Genetics and Plant Breeding

The following three posts are available under a research project entitled **Use of Molecular Marker Technology Approach in Wheat Quality Breeding** recently sanctioned to us by the Department of Biotechnology (DBT), Government of India, for a period of three years.

1. One post of RA on a fixed salary of Rs 11,000 pm plus HRA.
2. Two posts of JRF on a fixed salary of Rs 8000 pm for the first two years and Rs 9000 pm for the third year plus HRA.

For the post of RA, the candidates should be Ph.D. in the area of plant sciences and for the post of JRF, the candidate should be M.Sc./M.Sc. (Ag.) in the area of plant sciences and for both the above posts the candidates having practical experience in molecular biology techniques would be preferred. Interested candidates should send their biodata to Prof. H. S. Balyan (Principal Investigator) latest by **25 January 2005** and attend the interview on **29 January 2005** at 10:00 a.m. in the Department of Genetics and Plant Breeding, Ch. Charan Singh University, Meerut 250 004. Candidates must bring their original documents at the time of interview. No Interview letters will be issued and no TA/DA will be provided.
