

Government of India
Department of Science & Technology (DST)
International Division

Indo-Swiss Joint Research Programme (ISJRP)

Call for Proposals

Joint Research Project Proposals are invited from scientists and researchers of India and Switzerland for support under ISJRP implemented by the Department of Science & Technology (DST), India and Swiss National Science Foundation (SNSF).

Initially project proposals are invited in the fields of:

- Genomics; and
- Information Technology applications.

The duration of the projects would be for 2 years, extendable by one year. The funding will be towards

- Hiring of Research Fellows; and
- Travel and living costs only between India and Switzerland.

Full details and applications formats can be downloaded from the internet website: www.dst-stic.org or dst.gov.in

Deadline for submission of completed applications is 31 March 2005.

WORKSHOP ON

Application of PCR and RT-PCR in clinical diagnosis

14–21 March 2005

Organized by

ICMR Centre for Advanced Research in Molecular Medical Microbiology
Department of Microbiology and Cell Biology
Indian Institute of Science
Bangalore 560 012, India

The workshop includes lectures and hands-on training on clinical diagnosis using molecular techniques. This workshop aims to introduce young medical graduates (MBBS/MD) to the emerging areas of molecular methods of clinical diagnosis so as to widen their research activities in their respective centers. The details of the workshop and the course contents will be available at the department home page at <http://mcbl.iisc.ernet.in/>

Interested candidates may apply to the following address with their bio-data (include email/fax number), statement of purpose and a letter of recommendation from their supervisor/head of the division) by **15 February 2005**. The selected candidates will be informed by email/fax/speed post by **25 February 2005**.
