

Indo-US Visiting Professorship Program

Sponsored by the Indo-US Science & Technology Forum, this program is part of the International Professorship Program administered by the American Society for Microbiology (ASM). It enables microbiologists in India and the United States to visit institutions in the other country to teach an interactive short course (1–4 weeks) on a topic in any microbiological discipline (broadly defined). Open to ASM members and non-members alike, the program seeks to broaden collaboration between India and the US on issues of global concern and enables scientists to build long-lasting partnerships. Applicants from academia and industry are encouraged to apply.

Award – \$4,000, with additional funding available if particular need is demonstrated. Up to eight professorships awarded per year.

Deadline – 15 April 2005 for a course in July–December 2005, and 15 October 2005 for a course in January – June 2006.

Program information and application form are on the ASM web page at
<http://www.asm.org/International/index.asp?bid=2781>

UNIVERSITY OF MYSORE DOS IN CHEMISTRY, MANASAGANGOTRI, MYSORE 570 006

UGC-DRS under Special Assistance Programme (SAP-I phase)

Applications are invited for the post of two project fellows under the project No. F. 5460/10/DRS/2004 (SAP-I) to work in the thrust area identified.

Post and duration : Project Fellows (2) – 5 years

Qualification : M.Sc in Chemistry with minimum 55% marks

Emoluments : Rs. 6,000/- per month

Thrust area identified : (i) Bio-Organic and Medicinal Chemistry
(ii) Peptide and Synthetic Organic Chemistry

Application with complete bio-data on plain paper accompanied by necessary certificates should reach Prof. K. S. Rangappa, Co-ordinator, UGC-DRS under SAP (I-Phase), DOS in Chemistry, University of Mysore, Manasagangotri, Mysore 570 006 on or before **20 March 2005**.
