

**Project Position at International Centre for  
Genetic Engineering and Biotechnology ICGEB  
(New Delhi Component)**

**Position for Research Scientist**

Applications are sought for one Research Scientist for a project titled '**Establishment of a Core Immunology/Clinical Laboratory for Evaluating Vaccine – Elicited Immune Responses**'. Qualifications include a Ph.D. degree in any area of Life Sciences/Modern Biology/Veterinary Sciences or an MD or M.V.Sc. in Biochemistry/Immunology/Pathology, with demonstrated experience in mammalian cell culture and immunological assays, especially T cell assays and flow cytometry. The responsibilities will include setting up and overseeing the activities of the Core Immunology Lab and carrying out research on cellular immune responses in HIV-infected persons.

The work will involve extensive handling of HIV-infected blood samples and lymphocytes in BSL-2 and BSL-3 laboratories. Appropriate training will be provided. The position is tenable for 3 years. A consolidated tax-free salary of up to Rs 20,000 per month will be available, depending upon qualifications.

Applications on plain paper together with a CV highlighting the relevant experience may be sent to Chief, Administration, ICGEB, P.O. Box 10504, Aruna Asaf Ali Marg, New Delhi 110 067.

The last date for receiving applications will be **15 September 2005**.

**Department of Physics**

**University of Rajasthan**  
Jaipur 302004

Applications are invited for one position of Junior Research Fellow (@ Rs 8000 pm) under a research project entitled '**Nanofilter design and characterization by gas permeation for purification of SF<sub>6</sub> and other gases**' sponsored by DAE-BRNS Govt. of India, for the period of three years. Applicant should be M.Sc. first division in Physics.

Candidates may apply on plain paper along with their biodata and copies of marksheet within ten days from this advertisement to **Dr Y. K. Vijay, Principal Investigator**. No TA/DA will be paid if called for interview.
