

## Postdoctoral/Research Scientist Position in Stem Cell Biology

DBT Stem Cell Laboratory  
Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore  
and  
National Centre for Biological Sciences, TIFR, Bangalore

Postdoctoral/research scientist positions are available in the Department of Biotechnology (DBT)-funded collaborative initiative in stem-cells between the Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR) and National Centre for Biological Sciences (NCBS). Candidates with a strong interest, and demonstrated ability in molecular and cellular approaches towards understanding development may apply. In addition to the research programme, selected candidates are expected to help in the supervision and running of the stem-cell facility. Training visits and collaborative opportunities with other stem-cell laboratories in India and abroad are available. Selected candidates will have the opportunity to work in a stimulating-, competitive- and collaborative-environment.
