

## ANNA UNIVERSITY

### COURSES IN BIOINFORMATICS

AU-KBC Research Centre,  
MIT Campus of Anna University,  
Chennai 600 044

Short-term courses in Bioinformatics are planned at the Centre during June–August 2006. The courses are:

1. Short-term course in Microarray Data Analysis  
Date: 29-6-2006–30-6-2006 (2 days)
2. Certificate course in Drug Discovery and Development through Bioinformatics  
Date: 11-7-2006–15-7-2006 (5 days)
3. Certificate Course in Bioinformatics  
Date: 8-8-2006–12-8-2006 (5 days)

Applications are invited from interested Life Science Scientists/Medicine/Pharma, Bioinformatics and Biotech Industry/PDFs/Ph.D. Scholars/Graduate and Post-graduate students in Science, Engineering and Technology.

For registration and details see website: [www.au-kbc.org](http://www.au-kbc.org)

Director

## DEPARTMENT OF CHEMISTRY

INDIAN INSTITUTE OF TECHNOLOGY, KANPUR

### Advertisement

Applications are invited for the temporary post of a Project Associate (JRF) in a BRNS sponsored project entitled '***Ab initio* Quantum Simulations of Protonic Defects in Mixed Hydrogen Bonded Liquids**' at Department of Chemistry, IIT Kanpur, under the supervision of Dr Amalendu Chandra.

*Qualifications:* M.Sc. in Chemistry (specialization in physical chemistry and a valid CSIR/UGC NET or GATE score would be preferable).

*Salary:* Rs 8000 per month.

Applications on plain paper giving details of the educational qualifications and research experience should be sent to Prof. Amalendu Chandra, Department of Chemistry, IIT Kanpur 208 016 (e-mail: [amalen@iitk.ac.in](mailto:amalen@iitk.ac.in)) within two weeks of the publication of this advertisement.
