THE HYDERABAD EYE RESEARCH FOUNDATION
L. V. PRASAD EYE INSTITUTE
HYDERABAD**

Hyderabad Eye Research Foundation (HERF) at the L. V. Prasad Eye Institute (LVPEI), Hyderabad conducts research in molecular genetics, molecular biology and biochemistry, cell biology and stem cell methods, microbiology, and epidemiology – all related to eye disorders. Much of this is done through a strong collaboration with in house clinical colleagues. HERF has well equipped research labs, is supported by research grants from all Indian agencies and by NIH, USA, and is recognized by the University of Hyderabad and BITS Pilani as an external centre for their Ph.D. degrees. For further details about our research and publications, please visit www.lvpei.org

We now invite candidates with M.Sc. degrees, and consistently good academic record, preferably with CSIR/UGC/ICMR/GATE fellowships, to apply to us for consideration for joining us as junior/senior research fellows, and the Ph.D. degree programme.

In addition, we also invite candidates with Ph.D. degrees to apply to us for postdoctoral fellow/research associateships, particularly in the area of stem cell biology.

Please apply, along with CV, by email to Mr Jaiganesh, Assistant Administrator, HERF, LVPEI, at ganesh@lvpei.org, before **10 July 2006**.
