

ASHOKA TRUST FOR RESEARCH IN ECOLOGY AND THE ENVIRONMENT

The Conservation and Livelihoods Programme (C&LP) at ATREE is attempting to evolve a sustainable and democratic model of conservation. The Programme is seeking to fill the following positions:

Research Associate, Biligiri Rangaswamy Temple Wildlife Sanctuary

The Research Associate will coordinate ongoing work on agro-forestry and related activities under the C&LP. The position will be based at the ATREE field station at BRT Wildlife Sanctuary, Karnataka. Candidates should hold a graduate or post-graduate degree and 1–2 years field experience in agroforestry, organic farming and community livelihood issues. Fluency in Kannada is required. Computer skills are an advantage.

Research Associate, Male Mahadeshwara Hills

The Research Associate will be part of a team working on livelihood enhancement and institution building in the MM Hills. The position will be based at the MM Hills in Southern Karnataka. Candidates should have a graduate or post-graduate degree and 1–2 years field experience in community livelihood issues. Fluency in Kannada is required. Computer skills are an advantage.

Research Associate, Kalakad Mundanthurai Tiger Reserve

The Research Associate will help to coordinate a project on community-based forestry and homestead gardens. The position will be based either in Kalakad Mundanthurai Tiger Reserve, Tamil Nadu or in Bangalore. Candidates should be post-graduates in natural or social sciences, or graduates with some experience in community livelihood issues. Fluency in Tamil and basic computer skills are essential.

ATREE fosters diversity and gender equity at the work place. Thus women and persons from underprivileged groups are especially encouraged to apply. Applications will be accepted until August 15 or the position is filled. Applicants should write to the address below, enclosing their CVs, names of two references, and cover letter.
