AWARD ANNOUNCEMENT

Drs Anant and Lata Charitable Trust, Nagpur and Labhsetwar Foundation USA have established a Population Control and Family Welfare Award which is given annually to an individual of Indian nationality who has made outstanding research contributions in this field. The award consists of Rs 100,000 in cash, a memento and a certificate. The Committee has the right to split the award in the event found necessary.

The purpose of the award is to encourage and recognize the work of those who have made significant contributions towards India's population stabilization issues. We recognize that work in various fields such as physiology, immunology, pharmacology, clinical, social, operational and behavioural work as well as demography is important in contributing towards population stabilization. Nominee should be under 55 years of age.

Nominations giving complete biodata of the candidate along with list of publications and reprints of the five best publications in the related field should be sent to: Dr C. P. Puri, Director, National Institute for Research in Reproductive Health, Jehangir Merwanji Street, Parel, Mumbai 400 012. Last date for receiving nominations is **1 November 2006**. The award function will be held in **February 2007**.
