

## Postdoctoral position available INDO-FRENCH PROJECT

The Indo-French Centre for the Promotion of Advanced Research (IFCPAR/CEFIPRA) is funding a project on '**Synthesis and Biological Studies of Azido and Aminohexopyranosyl Nucleosides and Aminohexopyranose Containing Oligomers**' to be jointly carried out by the Department of Chemistry, Indian Institute of Technology, Kharagpur, India and the Department of Molecular Pharmacology, Grenoble University, France.

A two-year Postdoctoral position is available in the laboratory of **Professor Jean-Luc Decout**, the Department of Molecular Pharmacology, Grenoble University, France.

For the postdoctoral position, candidates who have completed or about to complete their Ph.D. may apply. The candidate should have experience in the area of synthetic chemistry of carbohydrates and is required to develop the synthesis of aminonucleosides in the search for new antibiotic agents. The Fellowship is EURO 1850 per month.

Candidates may apply directly to **Professor Jean-Luc Decout**, Department of Molecular Pharmacology, UMR 5063 CNRS/Grenoble University, 5 Avenue de Verdun, BP 138, F-38240 Meylan, France (e-mail: Jean.Luc.Decout@ujf-grenoble.fr) before **15th October, 2006**.

### Applications invited for PhD and Integrated PhD degrees at the NATIONAL CENTRE FOR BIOLOGICAL SCIENCES, TIFR, BANGALORE

#### PhD

Students with a Master's degree in any branch of Science (e.g. Physics, Chemistry, Mathematics, Biology) or Bachelor's degree in any Applied Science (Applied Sciences include Engineering, Medicine, Veterinary Science, Dentistry and Pharmacy) are eligible for the PhD program.

#### Integrated PhD

This program is for exceptionally talented graduates with a Bachelor's degree in any branch of basic science.

#### iBio

iBio is a new interdisciplinary program that seeks to apply the experimental and theoretical tools of the physical sciences to the study of challenging biological problems. Exceptional students with strong backgrounds in the physical sciences are eligible to enter the iBio PhD program.
