

Bright career opportunities in R&D of medicinal and aromatic plants at CIMAP

Central Institute of Medicinal and Aromatic Plants (CIMAP), a premier institution of CSIR through its well defined mission of 'Green Path to Better Health and Life', is making available the improved agro- and processing and biotechnologies of commercially important medicinal and aromatic plants and gene and biomolecule prospection for drug discovery using modern analytical tools and techniques of new biological of new biological and chemical sciences.

If you are aspiring to pursue your career in these challenging areas of medicinal and aromatic plants research and development and possess requisite qualifications and experience, CIMAP offers the opportunity for following scientific positions.

Position No. 1: Group IV(3), Scientist E1; One post in the pay scale of Rs 12,000–375–16,500 (Unreserved).

The selected candidate will be expected to undertake research in the area of plant derived drug discovery and target based bio-evaluation of bio-molecules besides functional genomics, proteomics and molecular genetics research.

Position No. 2: Group IV(2), Scientist C; One post in ICT Project in the pay scale of Rs 10,000–325–15,200 (Unreserved). The selected candidate will be required to manage existing ICT infrastructure and applications; implement web enabled e-management systems; coordinate system software management and configuration; develop application software for the laboratory; digitize graphical R&D data, coordinate Internet and VPN Bandwidth availability, WAN links, network server's gateway routers and security appliances, VC equipment and any other activity related to ICT project implementations.

Interested candidates may apply in the prescribed form by **31 October 2006**. The details of the posts, qualification, job requirement, etc. can be seen vide our Advertisement No. 1/2006 in the issue of *Employment News* dated 16–22 September 2006. The full advertisement and prescribed application form for the above posts are also available on CIMAP website which can be downloaded from www.cimap.res.in or can be obtained from the Director, Central Institute of Medicinal and Aromatic Plants (CIMAP), Post Office: CIMAP (near Kukrail Picnic Spot) Lucknow 226 015, UP, India by sending a self-addressed envelop of 23 × 10 cm size indicating name of the post applied for and affixing a postal stamp worth Rs 10/- only by **6 October 2006**.

Bose Institute Kolkata

Advt No. S/CHEM/22/2006

Applications on plain paper are invited from the Indian Citizens:

For one post of Junior Research Fellow, on a Fellowship of Rs 8000/- plus admissible HRA and Medical benefit, in the DAE sponsored project entitled, '**Modulation of Host Cell Signal Transduction by Lipoarabinomannan from Mycobacterium Tuberculosis**', under the guidance of Dr Joyoti Basu, Department of Chemistry, Bose Institute, Kolkata, the scheme is tenable for 03 (three) years.

Essential qualification : M.Sc. in Life Science with NET/GATE qualification

Age : Below 28 years (relaxable in case of SC/ST/OBC/Women candidates only).

Applications quoting advertisement no. with complete biodata giving details of qualification, i.e. examination passed, year, division, percentage of marks from Madhyamik onwards with copies of testimonials should reach the Registrar, Bose Institute, P-1/12, CIT Scheme VII-M, Kankurgachi, Kolkata 700 054, within **10 October 2006**. Outstation candidates will be given to and fro second class Railway fare by shortest route on production of Railway tickets.
