Admission for Research Scholars Program 2007

The CDFD (Centre for DNA Fingerprinting and Diagnostics), Hyderabad, is a premier institute in the country, which provides services in DNA Fingerprinting and Diagnostics and conducts basic research in different areas of modern molecular and cellular biology. The main themes of research at CDFD are:

- Genetics
- Molecular and Cellular Biology
- Molecular Pathogenesis
- Computational and Structural Biology
- (The details are listed on our website www.cdfd.org.in).

We invite applications from highly motivated candidates, willing to take up challenges in modern biology, for admissions to our Research Scholars program. Keeping in view the interdisciplinary nature of modern biology, we especially encourage persons from diverse backgrounds to apply. Those admitted as Research Scholars would be encouraged to apply for the Ph.D. program of Manipal Academy of Higher Education or University of Hyderabad.

Eligibility: MBBS or Masters degree in any branch of Science, Technology, or Agriculture. Candidates (other than MBBS graduates) must have cleared the CSIR/UGC/DBT/ICMR/ICAR, NET for JRF. Those who have appeared, but are awaiting results, are also eligible to apply. However, only those candidates will be considered who produce proof of having cleared the CSIR/UGC/DBT/ICMR/ICAR, NET JRF except for MBBS. Admission to CDFD-Research Scholars program is based on a 2-tier system involving a written test followed by interview of candidates who have qualified the written test.

From the current Academic year, CDFD is pleased to announce up to two research fellowships for the candidates with MBBS. The admission procedure will remain the same.

In the case of candidates whose JRF examination results are announced after 20 April but before 12 May 2007 they will be eligible to appear for the CDFD examination upon furnishing the relevant details of having cleared the JRF/NET with fellowship.

Applications on plain paper as per the format displayed on our website should be sent to Admissions Co-ordinator, Academic Cell, CDFD, Gandipet, Hyderabad 500 075. Applications may also be made on-line through our website (www.cdfd.org.in). The last date for applications to reach CDFD is 20 April 2007. The list of eligible candidates will be displayed on our website by the beginning of May 2007. No individual intimation letter would be sent.

Eligible candidates will be called for written examination at CDFD followed by interviews during 14 and 15 of May 2007 for which no TA/DA will be paid. Director, CDFD reserves the right to accept/reject any or all applications without assigning any reasons whatsoever.

UNIVERSITY OF ALLAHABAD

JRF POSITIONS IN DST-NSTI PROJECT

Applications are invited on plain paper with latest CV and photograph for two JRF positions (8000 pm + HRA) for three years from candidates having first class in M.Sc. Biochemistry/Biotechnology/Chemistry/Life Sciences/Microbiology with NET/GATE are invited for a DST 'Nanoscience-Nanotechnology' project titled:

1. 'Nanophosphor tagged-nanogold immunoglobulin conjugates in molecular characterization ... A Proteomics based study' under Prof. Dwijendra Gupta, Principal Investigator and Head, Department of Biochemistry, University of Allahabad, Allahabad 211 002. Contact: e-mail: dwijenkumar@rediffmail.com
2. 'Detection of herbicides and heavy metals ... a PSII-based biosensor from Cyanobacteria' under Dr. Shanthy Sundaram, Principal Investigator and Reader, Center of Biotechnology, University of Allahabad, Allahabad 211 002. Contact: e-mail: shanthy_s@rediffmail.com

No TA/DA will be paid. Apply with testimonials within 15 days of appearance of this advertisement.

Date: 23/02/2007
