Detailed notification available at <http://www.msubiotech.ac.in>

Date: 13-7-2007

Place: Baroda

## Announcement for PDF

A project '**Palaeointensity and Reunion/Marion activity in India**' funded by Indo-French Centre for Promoting Advanced Research (IFCPAR), established jointly by the Government of India and Government of France, invites applications for Post-Doctoral Fellow to work for two years in the French Laboratories under the supervision of Dr Mireille Perrin. Applicants should be of Indian origin and possess M.Sc. degree in Geology with first class and Ph.D. in the field of Palaeomagnetism. Experience in the studies on Palaeomagnetism and geochemistry of Indian dykes is desirable. In the event of not obtaining suitable applicants, candidates with proven experience in the subject area will be considered for Junior Research Fellow position. Apply within 20 days of this notification with CV through email to Principal Collaborator (India): Dr T. Radhakrishna, Geosciences Division, Centre for Earth Science Studies, Thiruvananthapuram 695 031; Email IDs: tradha1@rediffmail.com and Principal Collaborator (France): Dr Mireille Perrin, Institut des Sciences de la Terre, de l'Eau, et de l'espace de Montpellier, Universite de Montpellier II, France; Email: Mireille.Perrin@gm.univ-montp2.fr. Postal applications may be sent to the Principal Collaborator in India.
