

S.N. Bose National Centre for Basic Sciences Sector III, Block – JD, Salt Lake, Kolkata 700 098

Admission in Post-B.Sc. Integrated Ph.D. Programme in Physical Sciences 2008

The S.N. Bose National Centre for Basic Sciences, a premier research institution engaged in advanced scientific research in a number of areas and funded by the Department of Science and Technology, Govt of India, invites motivated students to apply for its residential Post-B.Sc. Integrated Ph.D. Programme in Physical Sciences 2008.

- **Qualification:** B.Sc. in Physics (Honours or Major) with Mathematics and any other science subject (or similar combination without Honours, if Honours was not available), with at least 55% marks (completed or appearing).
- **Eligibility for interview:** JEST/JAM/NGPE score of 2008 (score may be provided later if not available before the deadline).
- **Interview of shortlisted candidates:** Tentatively 17–20 June 2008 in Kolkata.
- **Monthly stipend:** Rs 9000 for selected students in the first two years, then upgraded to CSIR (JRF) scale on satisfactory performance and completion of M.Sc. degree.
- **Application deadline:** **15 April 2008**
