

International Conference on Molecular Mechanisms and Systems Biology

2–4 May 2008

Organized by

**Department of Biotechnology, PES Institute of Technology
100 Feet Ring Road, Banashankari III Stage, Bangalore 560 085**

CALL FOR PAPERS FOR ORAL AND POSTER PRESENTATION

The conference will feature speakers adept in R&D drawn from academic institutions and top industries in Biotech sector. This conference provides a robust forum for discussion of research perspectives, latest inventions and novel discoveries. Prof. Steven S. Tobe FRS, University of Toronto, Canada, will deliver keynote address. Panel discussion will bring in-concert the academic and the industry community. This discussion will also lay special emphasis on the industrial relevance of research perspectives and possible roads to entrepreneurship.

Six technical sessions and a Panel Discussion:

- (1) Prokaryotic Mechanisms and Processes
- (2) Eukaryotic Mechanisms and Processes
- (3) Biomarkers, Phytochemistry and Environmental Biotechnology
- (4) Modelling and Dynamics of Biological Systems
- (5) In-silico Analysis and Design
- (6) Evolutionary Processes
- (7) Panel Discussion

Invited speakers will include Prof. N. Bharathan, Indiana University, Pennsylvania USA; Prof. Bruce Hamuck, USA; Dr Ashish Kumar, University of Oxford, UK; Prof. P. Soon Cheol, South Korea; Dr Pradeep Kumar, IIT-Mumbai, Dr G. Sreeramlu, Hindustan Unilever; Mr Gurmeet Singh, Hindustan Unilever; Dr Harish Iyer, Vice-President, Biocon; Dr Ramananda Nadig, President, Triesta Life Sciences; Dr C. H. Mohan Rao, Deputy Director CCMB, Hyderabad; Dr Ramesh Deshmukh, CCMB, Hyderabad; Dr Taranath Shetty, NIMHANS; Dr Jyothi Prasanna, Stem Cells Research Centre, Manipal Institute of Regenerative Medicine; Mr Sudhir Kant, President, Millipore Life Sciences; Dr Shreeramulu, Hindustan Unilever; Dr Vijay Sonawana, IMTEC, Chandiragh and Prof. Steven S. Tobe FRS, University of Toronto, Canada.

Registration Fee

Students	Rs 500
Research Scholars	Rs 1000
Scientists/Faculty	Rs 2000
Industry Participants	Rs 3000

Participants interested to present paper/poster or those interested to attend the conference as delegate may download the application form from www.pes.edu/events or send an e-mail **immediately requesting for registration** form to:

Dr Maulishree Agrahari

Convener

International Conference on Molecular Mechanisms and Systems Biology

Head – Biotechnology, PES Institute of Technology

100 Feet Ring Road, Banashankari III Stage, Bangalore 560 085

E-mail: mmsb08@gmail.com

Last date for receipt of filled registration form is 31 March 2008
