

GOA UNIVERSITY

Department of Marine Science

Applications are invited from eligible candidates for the post of **Junior Research Fellow (JRF)** to work in a R&D project '**Validation of OCM-II derived geophysical products of inland waters of Goa and Eastern Arabian sea**', a project funded by Space Applications Centre, ISRO, Department of Space, Government of India, under the guidance of **Prof. H. B. Menon**, Department of Marine Science, Goa University.

Essential qualifications: Master's degree in Marine Sciences/Physical Oceanography/Atmospheric Science/Meteorology/M.Sc. in Physics with specialization in Marine optics.

The fellowship is Rs 12,000 p.m. with 15% HRA. No TA/DA will be paid to the candidates attending the interview. Applications should be sent to **Prof. H. B. Menon**, Department of Marine Science, Goa University, Goa 403 206, India.

More details can be obtained from Goa University website www.unigoa.ac.in

Research positions in proteomics

Institute of Bioinformatics (<http://ibioinformatics.org/>) is a non-profit organization located in Bangalore that is engaged in Computational Biology, Databases, Genomics and Proteomics research. The Institute focuses on key areas of biomedical research in discovering potential biomarkers in human cancers. Using systems biology approaches, IOB is investigating human neurological disorders.

A few opportunities for enthusiastic students and researchers are currently available in the two interdependent research projects '**Genomic and Proteomic Analysis of Chronic Meningitis**' and '**Development of Infrastructure and a Computational Framework for Analysis of Proteomic Data**' under the DBT Programme Support on Neuroproteomics for Proteomic Investigation of Neurological Disorders. These positions are Junior Research Fellow (3 positions); Research Associate (2); Research Scientist (2) and Bioinformatics Programmer (2). For more details about essential and desired qualifications for these positions, you are requested to visit <http://www.ibioinformatics.org/careers.htm>. Interested candidates should e-mail their detailed curriculum vitae to careers@ibioinformatics.org. Short-listed candidates will be called for an interview.
