

DEPARTMENT OF CHEMISTRY, UNIVERSITY OF PUNE, PUNE

NOTIFICATION

Applications on plain paper are invited for the post of Junior Research Fellow in the collaborative research project entitled '**Preparation and evaluation of supported noble metal catalysts for catalytic recombination of H₂ and O₂ in air**' funded by Board of Research in Nuclear Sciences, Department of Atomic Energy, Government of India. The project involves extensive chemical laboratory work for design and preparation of catalytic materials for H₂ mitigation reaction. The research project will also involve characterization and evaluation of catalysts for the said reaction.

Student will have to work at University of Pune as well as BARC, Mumbai. Candidates can register for Ph.D. degree at University of Pune.

Essential qualification : M.Sc. in Chemistry from recognized University
Desirable qualification : NET qualified
Emoluments : Rs 12,000 + HRA for the first two years and Rs 14,000 + HRA for the third year
Duration of project : Three years
Number of post : One

Duly completed applications along with attested copies of all relevant documents should reach to **Dr Suresh B. Waghmode**, Principal Investigator (DAE-BRNS Project), Department of Chemistry, University of Pune, Pune 411 007 within **fifteen (15)** days from the date of publication of this advertisement.

Advance copy of the application may also be submitted as e-mail attachment. The hard copy should be sent through surface mail after forwarding the soft copy. The appointment is purely temporary and co-terminous with the project. Eligible candidates will be called for the interview. No TA/DA will be paid for attending the interview.

For any further information applicants may contact the P.I.

e-mail: suresh@chem.unipune.ernet.in or svarma@barc.gov.in; Fax: 020-2569 1728; Mobile: 09423219557

Dr Suresh B. Waghmode, Principal Investigator

**Department of Microbiology &
Biotechnology Centre, Faculty of Science,
The Maharaja Sayajirao University of Baroda**

ADMISSION ANNOUNCEMENT

Admission to one year Post M.Sc. Diploma Courses

- (1) Genetic Engineering and Bioprocess Development
- (2) Intellectual Property Rights, Biosafety & Regulatory Affairs

Application forms and brochures will be available from the above address up to 27 June 2009 on payment of Rs 200 by cash or DD in favour of 'Coordinator, P.G. Diploma Course', payable at Baroda. Forms can also be downloaded from our (www.msubiotech.ac.in). Last date of submission: **27 June 2009**. Entrance Test and Interview will be conducted on 30 June 2009. Eligibility for the courses: M.Sc. in Microbiology/Biotechnology/Biochemistry/allied area of biological science with 50% marks. Intake: 10 seats in each course. Studentship of Rs 5000 pm. For further information check our website. Contact Ph. No. 0265-2794396/2750498 and Fax no. 0265-2792608.

INDIAN INSTITUTE OF TECHNOLOGY DELHI
HAUZ KHAS, NEW DELHI 110 016

ADVERTISEMENT NO. 03/2009 (E-1)

ADVERTISEMENT FOR VARIOUS FACULTY POSITIONS

The Institute invites applications from qualified Indian Nationals, Persons of Indian Origin (PIO), Overseas Citizens of India (OCI), and other Foreign Nationals who are exceptionally bright and motivated with an established record of independent, high quality research and commitment to teaching and research for faculty positions at the levels of Professor, Associate Professor and Assistant Professor in the School of Biological Sciences of the institute.

For details on this advertisement, areas of specialization, and on electronic submission of application, please visit IIT Delhi website (www.iitd.ac.in/faculty-recruitment/Year2009/) or see 2 May 2009 issue of Employment News. For enquiries, please write to **Assistant Registrar (E-I)**, IIT Delhi, Hauz Khas, New Delhi 110 016. Tel. No. +91-11-2659 1716. The last date of receipt of applications is **2 June 2009**.
