

Invitation for participation in Visiting Scientist Programme 2010

Since 1991, the INSA is supporting scientists from less endowed institutions to conduct advance research and training in advanced research institutions/laboratories within India under **Visiting Scientist Programme**. The main objective of the programme (Fellowship) is to facilitate scientist to acquire furtherance of research capabilities for undergoing training in specific techniques, or utilizing facilities not available in their own institution. The scientist holding a regular position in R&D organization including universities or affiliated colleges in India are eligible to apply under the programme. The fellowship period varies from one month to six months depending upon the proposed work or purpose.

Interested persons may download the prescribed application form from the INSA website www.insaindia.org or write to **Mrs Madhu Marwah**, Science Promotion Division, Indian National Science Academy, Bahadur Shah Zafar Marg, New Delhi 110 002 and submit the prescribed application prior to **15 December 2009**.

Announcement of Courses During 2010 and Early 2011

IIRS announces its M.Tech., M.Sc., P.G. Diploma, Certificate Courses, etc. for the year 2010. Visit our website: www.iirs-nrsc.gov.in for details such as entrance requirements, fee structure and number of seats available, etc. and also to download the prescribed application form.

Please note that the last date of receipt of applications for various courses is as under:

- | | |
|--|--------------------|
| – M.Tech. (RS and GIS) | : 30 October 2009 |
| – M.Sc. (Geoinformatics and Geohazards) | : 28 May 2010 |
| – P.G. Diploma and Certificate (RS and GIS) | : 27 November 2009 |
| – P.G. Diploma and Certificate (Geoinformatics and Geohazards) | : 25 June 2010 |
| – Remote Sensing: An Overview for Decision Makers | : 14 May 2010 |
| – NNRMS sponsored certificate courses | : 5 February 2010 |
