DBT Major Research Project

Applications are invited for the position of one Junior Research Fellow for a period of three years to work in the DBT sponsored project (Sanction No: BT/PR11998/AAQ/03/462/2009 dated 17.09.09) entitled, 'Immuno-responsive components in tiger shrimp, *Penaeus monodon*, upon exposure to White Spot Syndrome Virus (WSSV) and immunostimulants' under Prof. M. Arumugam, Principal Investigator.

Qualification: M.Sc. (Zoology/Special Zoology)

Period of the project: 3 Years

Emoluments: Rs 12,000 per month + Admissible HRA

Candidates with previous research experience in Crustacean Physiology will be preferred. The selected candidates should be willing to join the project at the earliest, and undertake travel to collect shrimps. Candidates possessing the requisite qualification may submit applications on plain paper giving their bio-data, attested copies of the certificates, mark sheets and a reference letter obtained from last institution on or before **10 November 2009** to the Principal Investigator: **Dr M. Arumugam**, Department of Zoology, University of Madras, Guindy Campus, Chennai 600 025.

VACANCY

Applications are invited for the post of Research Associate-I (Two) under the research project entitled '**Nanophosphor Application Centre, University of Allahabad, Allahabad 211 002**' sanctioned by Department of Science & Technology (DST), New Delhi, India under 'Nano-Mission', for the 'Development of Magnetic Nanoparticles for Bio-Medical Applications'.

The candidates who have completed/submitted their Ph.D. in Nanoscience/Material Science/Physics/Chemistry/Biotechnology/Biochemistry with good academic record and are keenly interested in research should apply. If no such candidate is found suitable, then the post will be suitably converted to Research Scientist's grade (as per the government rule) for the candidates having at least two years research experience after M.Sc. in above subjects with good publications to their credit in the relevant area. The selected candidates have to devote full time in research work.

The applications along with complete bio-data, photocopy of all certificates and mark sheets along with e-mail id should reach on or before **2 November 2009** through post with an electronic copy to avinashcpandey@rediffmail.com. The short-listed candidates shall be intimated by e-mail only. The interview shall be held on **15 Sunday November 2009**. No TA/DA shall be paid to shortlisted candidates for appearing in interview.

Dr A. C. Pandey, Principal Investigator, Nanophosphor Application Centre, University of Allahabad, Allahabad 211 002, India
