(1) **Positions open:** Two to three at Assistant Professor level, one at Full Professor level (UGC scale). Apply to the Director at the above address, on plain paper with full CV, copies of all certificates and copies of the best five published/accepted papers. Minimum qualification: Ph.D. in mathematical sciences. Periodic selection, next selection meeting is in February 2010.

(2) **DST-JRF:** Two to three vacancies, Rs 12,000 per month stipend. Apply to the Director at the above address with full CV and copies of all certificates. Minimum qualification: M.Sc. level degree in mathematical sciences. Next selection meeting is in February 2010.

(3) **2010 SERC School** starting on 12 April 2010. Five weeks of intensive research orientation program. 2010 theme 'Stochastic Models'; General theme: Multivariable and matrix variable calculus with applications in Model Building Statistics, Astrophysics and other areas. Best research workers in the world in the area are the instructors. All topics will be taken from fundamentals to research level. Each lecture is followed by problem-solving sessions. Only people who are interested to learn the subject matter need to come. This is the 8th SERC School at CMS. Minimum qualification: M.Sc. level degree in mathematical sciences. Only 30 seats are there, all-India selection. Closing date of application: **28 February 2010**.

(1), (2), (3) above are open to degree holders in Mathematics, Statistics, Theoretical Physics. Advance applications can be sent by e-mail but signed application by post is needed for final consideration. No fees. For (3), all expenses are met by DST.

(4) **National Workshop on Graph Theory Applied to Chemistry** at CMS Pala Campus on 1–3 February 2010. Principal speakers include Dr Acharya, Dr Sampathkumar, Dr Jayaraman, Dr Germina and others. Participation is by invitation only. Those who are interested to participate may please contact **Dr R. Natarajan** (Convener; rnataraj@lakeheadu.ca) or the **Director** at CMS. Please note that the previous circular stated the dates as 3–5 February 2010. The dates are changed to 1–3 February 2010 in order to avoid overlap with other conferences.

Director, CMS
