

National Research Conference on Climate Change

Indian Institute of
Technology Delhi

March 5-6, 2010

Abstract submission deadline:
February 15, 2010

Acceptance notification:
February 20, 2010

CALL FOR ABSTRACTS

Indian Institute of Technology Delhi (IITD), Indian Institute of Technology Madras (IITM) and the Centre for Science and Environment (CSE) are organizing a National Research Conference on Climate Change to be held at IITD on 5 and 6 March 2010.

The conference will cover major topics on scientific, technical, economic and policy aspects of climate change relevant to India. The conference aims at exploring themes such as energy, disaster mitigation and adaptation, water, agriculture, etc. in the climate arena. The main goal of this and future related conferences is to enhance capacity for climate research and action in the country.

We invite abstracts from faculty and other researchers, students and practitioners in the areas relevant to the conference. Selected abstracts will receive a slot for presentation or for the poster session. There will also be panel discussions involving invited speakers from a range of backgrounds.

Abstracts should be no more than 250 words and should also contain author affiliation(s) and contact details. Please send the abstract to NCCC2010@gmail.com, indicating which session/topic for which it should be considered. Please also indicate if financial support will be needed for attending the conference (limited funding is available for travel and local expenses).

Department of Physics

Guru Nanak Dev University, Amritsar 143 005, Punjab

Employment Notice

Applications are invited from qualified candidates for filling up the following positions:

- Funding agency** : Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy
Project title : Study of uranium in different environmental matrices in the state of Punjab
Name of post : Junior Research Fellow
No. of post : Two
Stipend : Rs 12,000 p.m.
Duration : Two years, one year may be extended
Qualification : M.Sc. (Physics/Applied Physics) with at least 55% marks. The candidates who have qualified UGC (NET)/UGC-CSIR (JRF) examination/SLET/GATE will be preferred

Candidates possessing the requisite qualification may apply on plain paper with complete bio-data and other enclosures to the PI before **5 March 2010**.

Note: (1) Attested copies of certificates/degree/testimonial must be enclosed. Original document must be produced at the time of interview.

(2) Telephone/mobile/e-mail of all applicants are mandatory.
