Short Term Training Course on 'Training on Genetic Engineering, Molecular Biology, Plant Tissue Culture and Microbiology'

The Department of Science, Mody Institute of Technology and Science is organizing a DBT-sponsored training course for mid-career scientists involved in undergraduate teaching in Life-Sciences and Biotechnology from 15 to 28 May 2010. The course would consist of one lecture by Guest faculty drawn from reputed research institutes in the country and will be followed by a practicals/hands-on session per day. Candidates below 45 years of age, holding regular positions in Colleges or Research Institutes may apply for this course. The applicants would have to be sponsored by their own Institutions.

Applications may be sent to the course director stating:

1. Name and address for communication including e-mail id, mobile, phone number.
2. Educational qualifications and research/teaching experience.
3. Present place and nature of work.
4. Present and future research interests (one paragraph).
5. Whether the candidate has undertaken such DBT-sponsored training courses.

Last date for receipt of applications is **25 March 2010**. Shortlisted applicants will be intimated confirmation by first week of April 2010. Details of the course can be accessed from the University web page www.mitsuniversity.ac.in/fascmits.ac.in under Events.

Course Director: **Dr Rajarshi Kumar Gaur**, Head and Assistant Professor, Department of Science, Mody Institute of Technology and Science, Lakshmangarh, Sikar 332 311, Rajasthan.
