

Regional Centre for Biotechnology

An Institution of Education, Training and Research

(Established by the Dept of Biotechnology, Govt of India, under the auspices of UNESCO)

Career Opportunities for Chemists and Chemical Engineers

The Regional Centre for Biotechnology (RCB) invites scientists with innovative potential for research and teaching programmes interfacing biotech and chemical sciences as manifested in the fields of drug discovery, tissue engineering and synthetic biology. RCB, an international nodal point with local and global partnerships synergizing with UNESCO, will expand the opportunities to create world-class research and education. A description of the RCB and its mandates and projections can be found on the website: <http://rcb.ac.in>.

Faculty appointments will be offered from entry to program coordinator levels depending on the quantum of experience and the quality of scientific productivity. Interested scientists are invited to send their curriculum vitae containing relevant details, list of publications and the names of three potential referees along with their electronic mail addresses to the **Executive Director**, Regional Centre for Biotechnology, c/o National Institute of Immunology, Aruna Asaf Ali Marg, New Delhi 110 067, India. An advance electronic copy of the bio-data may be sent to the e-mail address: rcb@nii.ac.in. Only short-listed candidates will be contacted for further discussions.
