and Cooperation SDC

## The Department of Biotechnology, Government of India and Swiss Agency for Development and Cooperation (SDC), Government of Switzerland

are implementing collaborative projects since 1999 involving Biotechnology Interventions in Agriculture & Environment for development of innovative solutions to increase agriculture productivity and sustainable management of natural resources. The Technology Advancement Unit (TAU) under the ISCB has been recently established as a facilitator of the projects under the ISCB Program, to promote technology transfer in a development context. The TAU is expected to create an enabling environment for efficient and effective implementation of individual projects under the ISCB, through active exchange of information internally and with stakeholders from academia, governments and public and private institutions.

Applications are invited for the following positions in **TAU** hosted by The Energy Resource Institute, Darbari Seth Block, IHC Complex, Lodhi Road, New Delhi - 110003
