CSIR–Nehru Science Postdoctoral Research Fellowship Scheme

Council of Scientific and Industrial Research (CSIR), an ensemble of 37 state-of-the-art institutes, is amongst the foremost scientific and industrial research organizations. Over the years, this unique organization has helped India usher in a scientific milieu, creating and nurturing talent in a wide variety of S&T domains, spawned many organizations, many disciplines and most importantly has served as a nursery and training ground for most of India's talented scientists and technologists. CSIR annually publishes over 3800 papers in science journals and holds over 3000 patents.

'CSIR–Nehru Science Postdoctoral Research Fellowship Scheme' has been instituted to foster high quality research opportunities to promising fresh Ph.D. holders in the cutting edge areas of Basic Science, Engineering, Medical and Agriculture at CSIR laboratories. Special focus will be for fundamental research in the inter-phase areas of science and technology. CSIR intends to offer one hundred (100) such fellowships every year at a consolidated fellowship amount of Rs 35,000 per month plus House Rent Allowance (HRA) as admissible and a contingency grant of Rs 3.0 lakh per annum.

For details about the scheme, eligibility criteria, application process, tenure, etc. please visit our website www.csirhrdg.res.in
