

## International Centre for Genetic Engineering and Biotechnology

Applications are invited for positions of Research Scientists at International Centre for Genetic Engineering and Biotechnology, New Delhi Component. Applicants must have a sound record of research and publications in an area of RNA interference/metagenomics/or biology of bacterial pathogenesis. Ability and commitment to build a dynamic program of international stature is essential. Candidate will have significant accomplishments commensurate with their career stage and should have the ability to compete for national and international funding. The candidate will be expected to participate in teaching Ph.D. level courses. The Centre provides competitive and supportive research environment with more than 30 scientists, excellent equipment and facilities. Applicants should submit their curriculum vitae, a statement of research interests and a list of three referees.

ICGEB is an international organization conceived as a center of excellence for research and training in molecular biology and biotechnology. The New Delhi Component of ICGEB provides a scientific environment of the highest international standard.

Applications marking the envelopes with position applied for as 'Research Scientist' should be addressed at **ICGEB**, Aruna Asaf Ali Marg, New Delhi 110 067 **within two weeks** of this advertisement.

## DEPARTMENT OF BOTANY UNIVERSITY OF DELHI, DELHI 110 007

Applications on plain paper with complete bio-data and supporting attested documents are invited for one post of JRF @ Rs 12,000 p.m. + HRA (as per rule), for the DAE/BRNS sponsored and BARC collaborated research project entitled '**Genetic Transformation of Pearl Millet (*Pennisetum Glaucum*) with a Synthetic Homologue of Magainin II (MSI-99) Gene and Evaluation of the Transgenic Plants for Resistance to Downey Mildew**' (Sanction letter No. 2008/37/26/BRNS/2372 dated 09 January 2009) available till 9 January 2012. The candidate should be M.Sc. in Botany/ Molecular Biology/Biotechnology/Biochemistry/Life Sciences with a minimum of 60% marks. Application by post/e-mail should reach the undersigned latest by **25 July 2010**. No TA/DA will be paid to the short-listed candidates for attending the interview. This position is purely temporary and its continuation in the projects depends on the satisfactory performance.
