Director of IndiaBioscience.org

We are seeking a talented, creative and independent PhD-level Director of IndiaBioscience.org to be based at the National Centre for Biological Sciences in Bangalore.

Responsibilities will include:

- (1) Managing and expanding content for this international website, seeking interesting new material/information and projecting the dynamic landscape of the life sciences in India.
- (2) Establish new initiatives to improve scientific communication and education in India (including new meetings and workshops).

We are seeking a Ph.D. who is an excellent scientist but also has strong interests and skills in public policy and journalism. The Director must be outgoing, independent, and proficient in project management.

To apply or inquire, see: <http://www.indiabioscience.org/node/78>

Deadline for applications, is **6 December 2010**.
