## Temporary Position Available

Adv. # 9/2010

Date: 20 October 2010

Applications are invited from suitable candidates for one position of Junior Research Fellow in a BRNS funded research project on '**Deciphering the SOS-GRB signaling at embryo implantation**' in the laboratory of Dr Malini Laloraya.

### Essential qualifications:

Candidates must have a Master's degree in any area of Biological Sciences with at least 60% marks. Qualification in NET/GATE/ICMR/DBT examination will be desirable.

**Age:** Below 28 years.

**Emoluments:** Rs 16,000 consolidated per month.

**Duration:** Three years or till termination of the project (whichever is earlier).

Only those fulfilling the above criteria need apply and will be called for interview.

Suitably qualified candidates may send applications in the prescribed format ([www.rgcb.res.in/downloads/adv.doc](http://www.rgcb.res.in/downloads/adv.doc)) with a copy of full resume and attested photocopies of credentials and experience to reach the undersigned **within 15 days** of publication of this advertisement. The envelopes must be superscripted with abbreviated title of the project, the advertisement number and job title. Selection to the position will not entitle the candidate to any future positions at RGCB (permanent or otherwise). As with all project positions at RGCB, the position will be co-terminus with end of the project.

In the event of more than 10 candidates being short listed, a written test will be done before the selection interview.
