

Workshop on Advanced Techniques in Genomics of Type 2 Diabetes

Conducted by
Madras Diabetes Research Foundation
(ICMR – Advanced Centre for Genomics of Type 2 Diabetes)
and
University of Minnesota, USA*

Venue : Madras Diabetes Research Foundation, No. 20, Golden Jubilee Biotech Park for Women Society, SIPCOT, Siruseri 603 103

Dates : 8–12 February 2011

A workshop on the advanced techniques in genomics will be held from 8–12 February 2011 by MDRF in collaboration with University of Minnesota, USA. This workshop is aimed at training and capacity building of researchers in advanced techniques in genomics of type 2 diabetes such as Direct sequencing, Real Time PCR, MassARRAY and Microarray. The workshop also includes a series of lectures on genomics by eminent scientists. Seats are limited and the participants will be selected by the organizing committee. Curriculum vitae and a one page writeup on the research background and interests, and why this workshop could be helpful for the candidate's research should be enclosed along with the application form.

Last date for receiving applications: **4 January 2011**

For details and application form contact:

Dr Radha Venkatesan, Organizing Secretary

Ph.: 044-4740 5909, e-mail: genomicsmdrf@gmail.com (or) visit www.mdrf.in

*Supported in part by Fogarty International Centre Grant# D43TW005816-05 for the UAB-MDRF ICOHRTA Program.

UKIERI Sponsored Joint Workshop on **Plant Molecular Farming** 7–8 April 2011

Department of Biotechnology, Bharathiar University
Coimbatore 641 046

Dr R. Sathishkumar, Bharathiar University, India
and

Prof. Julian Ma, St George's University of London, UK

The Department of Biotechnology, Bharathiar University, Coimbatore and Department of Cellular and Molecular Medicine, St George's University of London, are jointly organizing a two-day joint workshop on '**Plant Molecular Farming**'. The workshop will highlight the latest developments in the area of Molecular Farming. The workshop will have lectures and hands on training sessions. Faculty, Scientists, Post Doctoral Fellows and Research Scholars from universities, institutes and colleges having publication in Transgenic Plants are eligible to apply. Application should be submitted online on or before **19 January 2011**. For details please visit: www.bupmf.org.
